

shepherd

slot the head
on the body
and glue

- A:** cut out on blue lines, fold dashed lines (in order); 1, 2 and 4 inwards, then fold lines 3 and 5 outwards.
- B:** cut out and fold, glue onto the body, then fold top of body backwards on line 6.
- C:** cut out the head, glue the 2 outer tabs on top of each other, then glue it on to the body.
